HOW IT WORKS

- RESORT RENTAL FEE:** \$10,000 *(Includes lift tickets, rentals and resort staff for up to 200 people)*
- AVAILABLE DATES:** Every Tuesday through Thursday from January 8 through early April.
- LODGING:** Overnight lodging in the resort area consists of fifty condos and cabins, many ski-in/ski-out. A typical 1 bedroom/1 bathroom condo which sleeps 4 is \$99 per night plus tax and a cleaning fee. Hotel rooms in the city of Beaver start at \$65 per night plus tax. Visit the lodging section of our [website](#) for rates, descriptions and pictures.
- DINING:** Anything is possible based on a budget that you set. Our staff will create a custom dining experience ranging from family-style dining at a great value to fine dining with your favorite dishes. All food and beverages are a la carte.
- ENTERTAINMENT:** The 12,000-square-foot Canyonside Lodge is the resort's social headquarters with a full bar and grill, large dance floor, flat screen tvs, table games, two hot tubs, a general store and a plush, private lounge area with boardroom/dining room.
- We can arrange bands or DJs for your group or you can bring in your own. Fresh snow and fresh beats make the experience even better!
- LESSONS:** Eagle Point's Snowsports School offers ski and snowboard instruction. Visit the [Snowsports School](#) page for rates.
- CLOSEST AIRPORT:** Las Vegas and Salt Lake City are both 3.5 hours from Eagle Point. Small private jets can fly into Beaver Municipal airport, which is 22 miles away. We recommend flying into Las Vegas where flights are more plentiful and affordable.
- TRANSPORTATION:** We can meet you at the airport with transportation provided by charter buses, if you wish. Rental cars are also available. Our staff will assist you with transportation quotes and arrangements.
- RESERVATIONS:** To make a reservation, please contact us at 855-EAGLE-PT. A deposit of \$2,500 is due at the time of reservation and another \$2,500 forty-five days before the date of your reservation. The balance is due upon arrival. Any cancellation will result in the forfeiture of the amount of deposit paid to that point.
